VIEWING STATE ASSESSMENT SCORES

****You will only see scores for your GCA student through the Assessments Tab in the Parent Portal if your student took the EOC/EOG as a GCA student. Incoming scores from other districts will be made available through the SLDS (Statewide Longitudinal Data System) link very soon. The SLDS link is located at the bottom of the left navigation bar where the Assessments tab is. It is the direct link to this DOE site.**

- Log in to the Infinite Campus Parent Portal:
<https://gacyber.infinitecampus.org/campus/portal/gacyber.jsp?status=login>
- Once logged in successfully, choose your student's name from the dropdown at the top of the screen. If you only have one student who attends GCA, then your page will default to the screen that you need to see.

- Once the page is on a specific student, locate the word "Assessment" on the left navigation bar, click it, and it will show your student's scores.
